

Arizona State Board for Private Postsecondary Education

TO: Everest College Phoenix Students – Phoenix, Mesa and Online Campuses

FROM: Teri Stanfill, Executive Director

DATE: August 24, 2015

The Phoenix, Mesa and Online campuses of Everest College Phoenix closed and ceased to operate on April 27, 2015. On May 2, 2015, Everest College Phoenix relinquished its accreditation with the Higher Learning Commission.

Everest College Phoenix submitted student records on a USB drive as required by A.A.C. Rule 4-39-403. However, the information is unable to be read. The Arizona IT Department is working on extracting this data in order to retrieve student information. I am unable to provide you with a firm date that this project will be completed.

Additionally, paper copies for some student records have been received and are at a storage facility. We are currently trying to organize these records for retrieval.

Please know we will process all student record requests as soon as the student record is available.

We ask for your patience as we work through this process.
